

I'll Be Your Baby Tonight

Close your eyes, close the door. You don't have to worry any more.

'Cause I'll be your baby tonight.

Shut the light, shut the shade. You don't have to be afraid.

I'll be your baby tonight.

Well, that mockingbird's gonna sail away. Oh forget it

That big ol' moon's gonna shine like a spoon. You gonna let it, you won't regret it.

Kick your shoes off, do not fear. Bring that bottle over here

'Cause I'll be your baby tonight.
