1.	They say ev'ry	thing can	be re-	placed,
2.	They say ev'ry	man must	need pro-	tection,
3.	Now yonder	standing	here in this	lonely crowd,
~	C#m7	Bm7	A	Asus4 A
	Yet ev'ry	distance is not	near.	
	They say ev'ry	man must fall.		
	a man who	swears he's not to	blame.	
A		/	Bm7	/
	So I re-	member ev'ry	face	
	Yet I swear	I see my re-	flection	
	All day long I	hear his voice	shouting so loud,	
~	C#m7	Bm7	A	Asus4 A
	Of ev'ry	man who	put me	here.
	Some place so	high	above this	wall.
	Crying	out that	he was	framed.
<i>Chorus</i>

	I see my	light	come	shining
~	C#m7	Bm7	A	Asus4 A
	From the	west down to the	east.

	Any	day now,	any day now,	
~	C#m7	Bm7	A	Asus4 A
	I	shall be	re-leased.
