DREAM A LITTLE DREAM OF ME

(1930) music: Wilbur Schwendt, Fabian Andre / words: Gus Kahn

VERSE:

1 Stars shining bright above you; Night breezes seem to whisper I love you.
2 Say nighty-night and kiss me; Just hold me tight & tell me you'll miss me

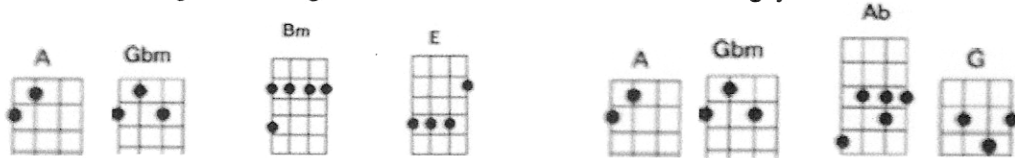

<1 Birds singing in the sycamore tree. Dream a little dream of me.
<2 While I'm alone, blue as can be, Dream a little dream of me.

BRIDGE:

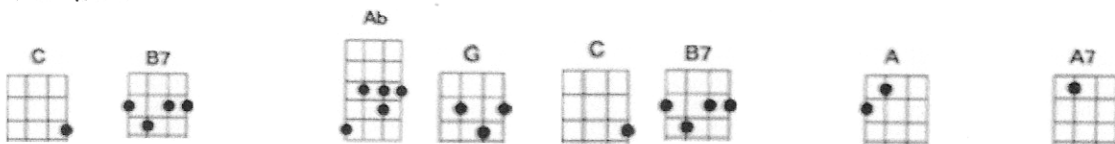

Stars fading but I linger on, dear--- Still craving your kiss.

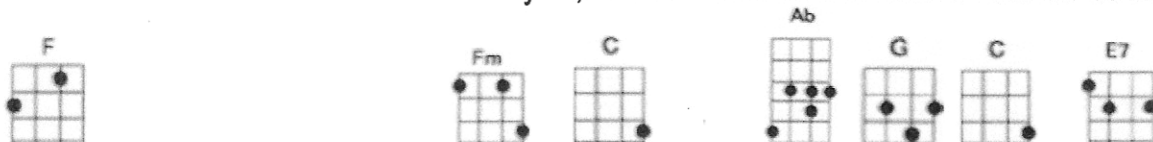

I'm longing to linger till dawn, dear, Just sayin' this...:

VERSE:

<3 Sweet dreams till sunbeams find you; Sweet dreams that leave all worries behind yo

<3 But, in your dreams, whatever they be, Dream a little dream of me

(repeat bridge and verse 3)

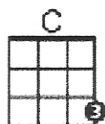

You Are My Sunshine

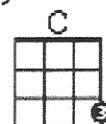

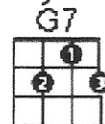

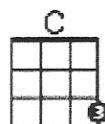

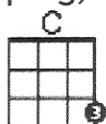

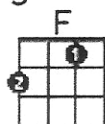

(1939)

words/music by Jimmie Davis

verse 1

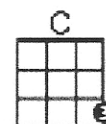

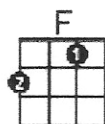

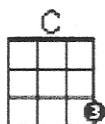

The other night dear, as I lay sleeping, I dreamed I held you in my arms

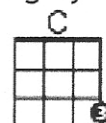

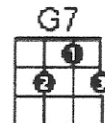

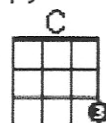

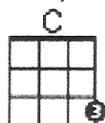

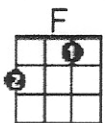

But when I awoke, dear, I was mistaken, So I hung my head and cried.

Chorus:

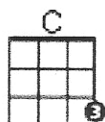

You are my sunshine, my only sunshine, You make me happy when skies are gray

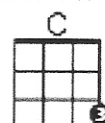

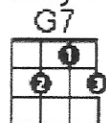

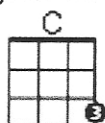

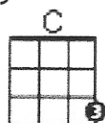

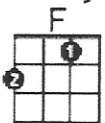

You'll never know dear, how much I love you, Please don't take my sunshine away

verse 2

I'll always love you and make you happy, If you will only say the same.

But if you leave me and love another, You'll regret it all some day:

Chorus: You are my sunshine, my only sunshine...

verse 3:

You told me once, dear, you really loved me And no one else could come between.
But not you've left me and love another; You have shattered all of my dreams:

Chorus: You are my sunshine, my only sunshine...

In all my dreams, dear, you seem to leave me, When I awake my poor heart pains.
So when you come back and make me happy, I'll forgive you dear, I'll take all the blame.

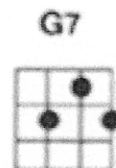

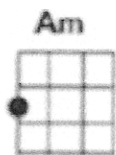

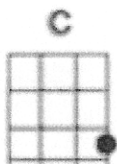

Chorus: You are my sunshine, my only sunshine...

And you can be sure that if you're feelin' right
A daydream will last 'til long into the night
