[C] You've been around for such a **[F]** long time now,
Or maybe **[Dm]** I could leave you, but I **[G]** don't know how.
[C] And why should I be **[F]** lonely every night,
When I can **[Dm]** be with you; oh yes, you **[G]** make it right.

And I **[F]** don't, listen to the **[G]** guys who say,
That you're **[C]** bad for me, and I should **[F]** turn away.
'Cos, **[C]** they don't **[Dm]** know about **[Em]** us, **[G]**
And **[F]** they've never **[Bb]** heard of **[C]** love.

[C] I get a feeling, when I **[F]** look at you;
Wherever **[Dm]** you go now, I wanna **[G]** be there too.
[C] They say we're crazy, but I **[F]** just don't care,
And if they **[Dm]** keep on talkin', still they **[G]** get nowhere.

So I **[F]** don't, mind if they don't **[G]** understand
When I **[C]** look at you and you **[F]** and you hold my hand
'Cos, **[C]** they don't **[Dm]** know about **[Em]** us, **[G]**
And **[F]** they've never **[Bb]** heard of **[C]** love.

[Am] Why should it **[Bb]** matter to us, if **[F]** they don't ap-**[G]** prove?
[Am] We should just **[Bb]** take our chances, while **[F]** we've got nothing to **[G]** lose.

Baby, **[C]** There's no need for living **[F]** in the past,
Now I **[Dm]** found good loving; gonna **[G]** make it last.
[C] I tell the others not to **[F]** bother me,
'Cos when they **[Dm]** look at you, they don't see **[G]** what I see.

No I **[F]** don't listen to their **[G]** wasted lines
Got my **[C]** eyes wide open and I **[F]** see the signs
But **[C]** they don't **[Dm]** know about **[Em]** us, **[G]**
And **[F]** they've never **[Bb]** heard of **[C]** love.

No I **[F]** don't listen to their **[G]** wasted lines
Got my **[C]** eyes wide open and I **[F]** see the signs
But **[C]** they don't **[Dm]** know about **[Em]** us, **[G]**
And **[F]** they've never **[Bb]** heard of **[C]** love.
