

Yellow Submarine

Lennon/McCartney

We all live in a yellow submarine, Yellow submarine, yellow submarine

We all live in a yellow submarine, Yellow submarine, yellow submarine

In the town where I was born Lived a man who sailed to sea
 2 And he told us of his life In the land of sub-marines
 3 So we sailed up to the sun 'Til we found a sea of green
 4 And we lived beneath the waves In our yellow sub-marine

5 And our friends are all a-board Many more of them live next door
 6 And the band begins to play: *num/kazo o*

(Full speed ahead, Mr. Parker, full speed ahead. Full speed ahead it is, Sergeant, action station, action station. Aye, aye, sir, fire, Captain, captain)

7 As we live a life of ease Every-one of us has all we need
 8 Sky of blue and sea of green In our yellow sub-marine
